

King of the Jungle

D. St. Allstars

(Smith)

Would you believe that once upon a time I was young
And never learned to climb a tree ...
Yes it was me sitting on the ground
Near that old maple tree...
Yes, it was me ...
Yes, it was me ...

Oh, I never began a journey
Whose end was hidden from me
When I was 14 ... when I was 14 ...

(chorus)

King of the jungle challenged me to leap blindly
Into nothing I can see but
That faith al fronté de la mi
So ... should I close my eyes
Or keep them open wide ...
Keep them open wide ... yeah

So woman, can you ever forgive me
So what could be that life for me
Oh, I never thought it could be
Not in 14 years to a boy like me ...

Oh, I never began a journey
Whose end was hidden from me
When I was 14 ... when I was 14 ...

(chorus)
